- Prospects of multi locational hiring of facilities to ensure similarity of the quality of experience across geographies

- Attentive and customer friendly staff who will go out of their way to fulfil your demands

SKILL TESTING & UPGRADING PROCESS

It is with great pleasure we announce that Taj HR Services Operation and Maintenance is proud to share that we have been accredited and awarded with ISO 9001:2015 certification of Quality Management System

ISO 9001:2015 is defined as the international standard that specifies requirements for a quality management system (QMS). Taj HR Services use the standard to demonstrate the ability to consistently provide products and services that meet customer and regulatory requirements

As an ISO 9001:2015 certified, Taj HR Services implemented Quality Management System requirements for all areas of the business, including

- Facilities
- People
- Training
- Services
- Operation & Maintenance
- General Contracting

Thank you for sharing this honor with us. We look forward to continue our efforts to a quality focused service delivery
